

Perma-Cap® and Perma-Plank®: Overview

The Best Bleacher Boards and Most Cost-Effective Bleacher Covers: Perma-Cap® and Perma-Plank® from Hussey Seating Company

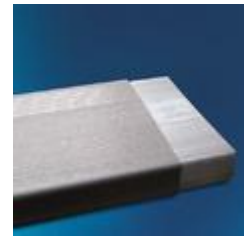

Upgrade, restore or rejuvenate battered bleachers with Hussey Seating's Perma-Cap and Perma-Plank vinyl bleacher covers and vinyl-covered galvanized steel bleacher boards. When your school, municipal, performing arts, or sports arena bleachers need an environmentally friendly, economical alternative to total bleacher replacement, turn to Perma-Cap solid vinyl bleacher covers and Perma-Plank vinyl covered steel boards.

Perma-Cap Over Perma-Plank

Perma-Cap Over Wood

Perma-Cap Over Aluminum

Perma-Cap vinyl bleacher covers are your most cost-effective way to protect your bleachers, and your fans. A durable, maintenance-free vinyl bleacher cover that fits over your existing wood or aluminum bleachers, Hussey Seating Perma-Cap bleacher covers are a cost-effective upgrade for indoor or outdoor grandstands or indoor telescopic bleacher seating. Game after game, season after season, year after year, Perma-Cap vinyl bleacher covers play strong defense against tough weather and exuberant fans, while seating your audience in comfort.

Perma-Cap vinyl bleacher covers are a great way to protect or extend your investment in your bleachers. Our skid resistant, non-reflective, UV resistant and splinter-proof outdoor vinyl bleacher covers fit over 2x8", 2x10" and 2x12" bleacher boards, while indoor vinyl bleacher covers are available in 16', 18' and 20' lengths.

Perma-Cap vinyl bleacher covers never need painting, but always show their true colors. Ask about our wide range of vinyl colors, and the bleacher joint covers, bleacher end caps and Perma-Cap mounting brackets available to complete your bleacher cover installation.

Ready to replace your bleacher boards? Hussey Seating Perma-Plank's durable, economical vinyl bleacher boards cover all the bases with a warmth and comfort that extruded aluminum bleacher boards just can't provide. Perma-Plank is a galvanized steel plank with a thick layer of heavy-duty, weather and skid-resistant vinyl, creating a durable, insulated bleacher surface that retains heat and seats your audience more comfortably. The Perma-Plank vinyl bleacher board system is easily installed on new bleachers or as a replacement for existing bleacher seats. Perma-Plank vinyl bleacher boards are available in 2x8", 2x10" and 2x12" and in lengths to 20 feet.

Whether you choose Perma-Cap vinyl bleacher covers or Perma-Plank vinyl-covered bleacher boards, Hussey Seating has your bleachers covered.
