

Safegarde® Wire Mesh Partitions

24/7 protection-Safegarde® wire mesh partitions are the economical and reliable solution for safeguarding your inventory and equipment. The modular nut-and-bolt design and large inventory of in-stock panels allow you to set up a freestanding storage enclosure quickly using standard hand tools.

The all-steel construction and powder-coated paint finish resist wear and require no maintenance. Whether you choose from our standard models or prefer a custom configuration, you always get a superior quality product that is delivered fast.
