

Contractor Grade  
Polyurethane  
Gun Foam **IPF™**

**All Weather Pro**  
single component foam system

**All Weather Performance**

Formulated specifically for use in low temperature and low humidity conditions. Guns well at -1°C (30°F) and will completely utilize total contents of can.

**IPF Quality Assurance**

IPF's All Weather Pro is a high yield product exhibiting extremely low expansion and develops low pressure in the window cavity. The very fine cell structure is an IPF trademark.

**50% Longer Shelf Life**

IPF products always exhibit longer shelf life than competitive products.

**Industry leading Trademarked Gun/Foam System**

IPF's integrated Gun/Foam System is so unique it brings gunfoaming to a new level. Our 'IPF foams' and 'IPF Eco gun' combine to deliver industry leading performance.

24oz

**IPF™ ECO** High Performance  
Swiss Manufactured

CP • Economical & Durable

**Lubri-Clean**

Our dual purpose FoamGun cleaner both cleans and lubricates our applicator guns. Custom formulated to remove uncured foam, easy to use and will not evaporate quickly like others.

Limited Warranty: IPF is warranted to be free from defects. Manufacturer shall not be liable for any consequential or other damage or remedy. Its sole obligation and your exclusive remedy are limited to the product replacement. There are no warranties which extend beyond the description on the face hereof. **Rivenco Industries Ltd.**, Erin, Ontario, Canada
